

Hilbert Group's Syntetika Welcomes Asia-Based Investment Leader Juliet Tang to Advisory Board

Hilbert Group (Nasdaq: HILB B) is pleased to announce that Juliet Tang, an influential Asia-based investment professional, will join the advisory board of Syntetika, bringing her extensive expertise in investment management and strategic leadership to the platform. Juliet joins Syntetika with a distinguished track record, most recently serving as Investment Manager at one of the world's largest crypto exchanges, Huobi/HTX Ventures, where she led high-impact investment strategies throughout the region.

Her expertise is grounded in experience across some of Asia's top financial institutions in investment banking and asset management. Juliet holds a Master's in Banking, Corporate Finance, and Securities Law, further enhancing her contributions.

Juliet Tang's appointment reflects Syntetika's commitment to global growth, with a special focus on leadership and innovation in Asia's dynamic markets.

Barnali Biswal, CEO Hilbert Group, comments: "The collective experience our advisory board brings—from scaling major platforms to building compliant token ecosystems—will be vital as Syntetika accelerates its growth in Asia and globally. Juliet's appointment reflects Hilbert's commitment to world-class leadership and innovation in institutional DeFi."

Juliet Tang comments: "I am excited to join the Syntetika advisory board and contribute to the company's mission of revolutionizing the tokenized asset space. I look forward to supporting Syntetika's ambitious global expansion and helping drive innovation within the institutional DeFi sector."

About Syntetika

Syntetika is Hilbert Group's next-generation platform for issuing and trading tokenized assets and funds with full regulatory compliance. By integrating Galactica's zero-knowledge KYC (zkKYC), it delivers enterprise-grade oversight and auditability while preserving user privacy.
